Dear Friends,

I feel sure you must think we had forgotten all about you. I must again ask you to forgive us for not writing to you sooner but, this has been a very busy year for us, and I feel sure you will forgive us. I trust that you are all in the best of health your family, your wife and yourself and your brother. It seems like only yesterday that we were at your home.

You will remember

Wishing you a very  
 merry Xmas  
 and a happy & prosperous  
 New Year.

Bien cher Monsieur <sup>FOMÉ</sup> Fomé-Lang,

Un groupe de membres de la ROYAL AIR FORCES ESCAPING SOCIETY et leurs épouses viendront au Grand Duché de Luxembourg pendant la deuxième semaine du mois de juin prochain dans le seul but de vous y rencontrer et de vous offrir un déjeuner d'honneur.

Nous nous rendons bien compte qu'il est trop tôt de vous demander s'il vous sera possible de vous y rendre. Cependant, nous vous serions très obligés si vous pouviez nous indiquer sur le formulaire ci-dessous si vous seriez, en principe, heureux de revoir les anciens évadés de la Royal Air Force. Ceci nous permettra d'évaluer le nombre maximum de participants pour que nous soyons en mesure de réserver un restaurant.

Il est bien entendu que vous pourrez vous faire accompagner d'un ou de deux invités pour vous conduire à notre rendez-vous, au cas où ceci serait nécessaire.

Au plaisir donc de vous lire - et peut-être de vous retrouver en 1992, croyez, bien cher Monsieur Fomé-Lang, à l'assurance de notre grande fidélité.

Dear Friends,

I feel sure you must think we had forgotten all about you. I must again ask you to forgive us for not writing to you sooner but, this has been a very busy year for us, and I feel sure you will forgive us. I trust that you are all in the best of health, your family, your wife and yourself and your brother. It seems like only yesterday that we were at your home.

You will remember

that we <sup>were</sup> trying to make arrangements to have you visit us in England, well unfortunately we have not been able to get the organisation to arrange a visit up to the moment and we feel that the visit may have to be postponed for some time. Still we will arrange it, never fear, it is just a matter of time and funds in the organisation.

We would like to thank you again for your photograph of the family, it is indeed a good likeness.

You may remember me telling you that my sister was ill, well we have sad news, she passed away, some months

ago, and we do indeed feel her loss, especially my dear mother who has been grief stricken ever since that awful day. All our attentions have been centred around mother to help her, but she is declining in health because of her grief. We are expecting my mother and sister to visit our home this week for a few days and we trust the change will be of benefit to her as she has never been away from home since my sisters death. Time is a wonderful healer, and God is good.

Since our visit to you we have had Mons. Schollis to this country but he only stayed

for one day, as he was here on  
business. Still it was quite  
enjoyable to have him stay with  
us.

I do not know how  
your country is withstanding the  
present international situation but  
we are feeling the pressure in  
this country because every commodity  
Food, clothes, etc. are all rising in  
price. We here in this  
country sincerely hope that the  
intentions of the Russians are  
good ones, but ~~there~~ their  
strange behaviour towards religion  
and the free peoples of the world  
are certainly wrong in our opinion  
and we hope that the United  
Nations Organisation can uphold

Peace in the world. We do  
not want war, but we would  
fight for our peace against  
any country wanting to take  
our freedom of life.

Communism is wrong,  
and may it soon perish.

Soon may we see all  
wars ended, and friendliness  
between all countries.

My wife asks to be  
remembered to you, and we  
send God's blessing to you and  
your family and friends in  
Ikeferangi. God bless you  
and keep you well.

Yours sincerely

Ronald
